1995 TUBE STOCK:

Above: (Right) The cab ends of 1995 Tube Stock 51631 and 51632 at Morden on 5 January 2019. For many weeks (if not months) these units have sat as separated three-car units on a back road in Morden Depot with the two outer cabs together instead of the UNDMs. Over the Christmas period, 51632 assisted 51631 onto No. 18 road in the shed.
